work experience

Rutgers University - Graphic Designer

December 2020 - present | New Brunswick, NJ

Worked with department heads and other designers to create design layouts animations for web, social, video, and print materials.

Adhered to Rutgers University brand guidelines accordingly when developing flyers, web banners, social posts, and brochure layouts to promote cohesiveness and consistency.

Animated and produced promotional items with digital design programs such as Illustrator, Indesign, After Effects, and Premiere Pro.

HackRU - Videographer & Photographer

April 2016 - October 2018 | New Brunswick, NJ

Captured special moments using a DSLR and a variety of lenses to portray students designing software and interfaces.

Produced a documentary using Premiere Pro from shooting candid environmental shots and interviewing students to offer a more intimate view of participants.

Lions International - Photographer, Communications Director, & Graphic Designer

September 2016 - June 2019 | Marlboro, NJ

Communicated with organization members to tend to their questions and concerns.

Designed and published a website recognized by the head. of Lions International that allowed members to see and post announcements and upcoming events.
